

LESSON PLAN

Age Group: 5-6 Years

Duration of Lesson: 40 mins

Subject: *Religious Education Integrated With Comprehension*

Topic: Noah and the Ark

Objectives:

Get students to give oral answers about the story.

Have students do a pictorial idea of the story.

Teaching Strategies:

- Discussion
- Guided Reading
- Choral Reading
- Drawing
- Teacher Modelling

Materials/Technology

- Power point / multimedia projector
- Worksheet
- Items from the story
- Chalkboard
- Radio
- Pictures

Set Induction:

- Display picture of the characters from the story.
- Tell students listen carefully to the story.

Learning Experiences

- Ask the students if they heard the story before.
- Ask questions about the story orally.
- Have them listen to the song 'Noah and the Ark'. Use the same melody as the Farmer in the Dell so they should catch on quickly

Assessment:

- Distribute a drawing book on which students are required to draw a character or item from the story.
- Have some of the students share their pictures.

Closure:

- Ask students to state what the story they viewed was about.

Follow-up

- Sing the song about Noah and the Ark.
